November 2023

From the President

I really enjoy the fall, good riding weather and time to catch up on projects that have been idle during the spring and summer when events are in full swing. I am getting close to finishing the shop addition I started in 2022 during the pandemic (note to self, do not build anything during a pandemic!). I have almost finished all the cabinets I need to store all those spare parts. By the end of the year I should be done.

British in the Blue Ridge 2024 It's also time to start all the planning for the 2024 British in the Blue Ridge Rally. The Georgia Mountain Fairgrounds have been reserved for June 7 & 8 next year for the rally. We will be looking for sponsors for the event. If you are interested or know someone who might be interested in being a sponsor, email me at gabmanewsletter@gmail.com.

2024 Rally Bike: The club has acquired a 1972 Triumph T120R for the Rally bike that will be given away at the 2024 British in the Blue Ridge Rally. We were able to purchase the bike from Joe Barnes (Old Town Cycle) one of our biggest sponsors scbritish@gmail.com

Reconditioning the 72 Bonneville has begun. This years crack team of reconditioning specialists that will be working on the bike include Richard Lyles, Larry Anderson, Paul Reifsnyder, Robert Holly, Andrew Hawkins, Jeff Huggins, Mike Dove and Andy Sarantapoulas. All the frame parts have been powder coated, a leak in the fuel tank has been repaired, the forks have been reconditioned and we have started to freshen up the engine. Check out the pictures on page 2. We will be posting updates on our progress on GABMA Facebook page and the GABMA website.

Triumph T160 for sale: One of our active members, Glenn Scott from Lynn Haven Florida, has recently finished reconditioning a 1975 Triumph T160 Trident. He is offering it up for sale to club members first before he puts it on the market. Check out the ad on page 3 and the full description by clicking the button below.
