## ***From the President***

**Annual club dues are now due.** Please take a few minutes to pay your club dues, still only \$20. Thank you to those who have already paid.

You can use the form attached, bring you dues to our monthly meeting or now you can pay on-line with a credit card. Click the button below to make your payment on-line to our square account.

**GAMBA Inc.** After 40 years, the GABMA club is now a Non-Profit 501-C 7 corporation, GABMA Inc. Whoo Hoo!

**Cabin Fever Party:** The club's (GANOA & GABMA) annual Cabin Fever Party is this Saturday February 14. All members of GANOA and GABMA and their guests are welcome to attend. The GANOA club furnishes food and refreshments. Members are encouraged, but not required to bring a

side. Click the button below for party details and directions..

**Nortona** The GANOA Club hosts the annual Nortona event at the Betty Steflik Memorial Preserve in Flager Beach FL during Daytona Bike week. Norton owners from all over the US attend a get together and luncheon on Thursday March 5. If you own a Norton, this is the place to be on March 5.

**Road Atlanta - MotoAmerica:** We hope to be invited back to the MotoAmerica Race at Road Atlanta, which is April 17-19. The GABMA Club sets up tents and hosts a vintage bike display which usually is about 20+ bikes. This is a really nice event and an opportunity to meet a lot of new people. When I receive confirmation from MotoAmerica, I will send out a notice to sign up to participate in the event.

**British in the Blue Ridge Rally is scheduled for June 12 & 13** at the Georgia Mountain Fairgrounds in Hiawassee Georgia. The Georgia Mountain Fairgrounds is now accepting RV/camping reservations. Our Rally bike this year is a 1964 Triumph TR6. We will be scheduling tech sessions to get the bike ready. So, if you are interested in working on the rally bike, stay tuned for notices for dates for these sessions.

**1972 Norton Commando Project:** A lot of progress has been made in the last two weeks as everything came together on the engine build. The engine has been built and mounted in the frame. With the engine in place I am sorting through the head steady, oil lines, exhaust, carbs and final electrical connections. I am expecting to receive a CNW starter kit in about two weeks and hope to have the project completed soon. Just in time to get to work on the 64 Triumph TR6 rally bike! See pictures of the 72 Norton project on page 3.

**Next Meeting:** Due the Cabin Fever party, we will not have a meeting in February. Our next club meeting is March 14 where we will hear a report back on the Nortona event. We meet at Noon at Marlow's Tavern - 625 West Crossville Road #100, Roswell GA. Click the button below for directions.
