

Greater Atlanta British Motorcycle Association

November 2025

From the President

The last couple of months have been very busy with events, projects, and every thing else. Hence, this is the first newsletter in a while. A lot of my attention has been focused on my 1972 Norton Combat project. I purchased the project bike as parts over a year ago, and only after the British in the Blue Ridge Rally in June, have I been able to work on it. I have made good progress and hope to have it complete by the end of the year. See pictures p 4.

Norcross GA - British Car Fayre: We had 8 bikes on display at the Norcross event on Sept 6. This is a large event and the weather was great for a fall ride. The event attracts 100's of British cars which are displayed on S Peachtree St. in Norcross. However, they are not so appreciative of vintage British motorcycles which are displayed on the north side of the tracks near the park. For this reason we get limited interest in club members for attending the event. See

Pictures on p 2.

2026 Barber Vintage Festival: Norton owners from all over the U.S. gathered on Norton Hill at the Barber Vintage Motorcycle Festival in Leeds Alabama October 2 - 5. The Norton Hill event is organized by Maggie Elmore, who does a wonderful job of working with the event organizers and corralling what has to be close to 100 Norton owners. Norton Hill is located track side near turn 14 on the Barber Motorsports Park track. Richard Lyles, Robert Holly and I set up pop up tents and tables and provided refreshments to all that wanted to hang out. Attendees came from all over the U.S. A great view of the track, the Barber Museum, a swap meet, great friends and lots of Nortons. Can't beat it.

2026 British in the Blue Ridge Rally - Next years Rally has been scheduled for June 12 & 13. We have acquired the 2026 Rally bike, a 1964 Triumph TR6. This bike is in excellent shape. Stay tuned for updates on reconditioning the bike

Next Meeting: Our Next meeting is **December 13.** Noon at Marlow's Tavern, 625 West Crossville Rd, Roswell GA.
